For example, the: Discovery World at Pier Wisconsin, Henry W. Maier Festival Park, Lakeshore State Park, Milwaukee Art Museum, Museum Center Park and many more.

There are also a lot of stores and markets that you can visit near the lake. Lakefront is one of the major public spaces in Milwaukee, so it encourages the full expression of diverse people.

One event at the lakefront is the Milwaukee Lakefront Marathon, one of Milwaukee's most popular races. The course is flat and goes through the countryside, neighborhoods and finishes at the Lakefront, near the Milwaukee Art Museum.

Of course, there are many water and beach-related activities you can do here in summer, like taking sailing lessons, renting a paddleboat and cruising the lagoon in Veterans Park or off the dock of Discovery World, watching the stunt teams at the Milwaukee Air and Water Show or attending the monthly beach bonfire.
